## Newsletter

Dear RoboCuppers,

Co-organized by [the Beijing Municipal Government](#) and [the RoboCup Asia-Pacific \(RCAP\) Confederation](#), the RCAP Beijing Masters Humanoid League will be held in conjunction with the World Humanoid Robot Games ([WHRG 2025](#)). The event will take place from 14 to 17 August 2025 at two of Beijing's most iconic venues: [the Beijing National Stadium](#) (Bird's Nest) and [the Beijing National Speed Skating Oval](#) (Ice Ribbon).

### 1. The Venue - National Speed Skating Oval (Ice Ribbon)

The National Speed Skating Oval, also known as the Ice Ribbon, is the competition venue for speed skating of the Beijing 2022 Winter Olympics.

As the landmark venue for the Beijing 2022 Winter Olympics, it forms the symbolic building group of Beijing, the world's first "Dual Olympic City", with the National Stadium (also known as the Bird's Nest), the National Aquatics Centre (also known as the Water Cube), and other venues. Taking "ice" and "speed" as the design symbols, the National Speed Skating Oval boasts crystal clear and transparent

facades composed of 3,360 curved surface and flat glasses. The 22 elegant flying ribbons symbolize the speed of ice sports and the year 2022 when the Beijing Winter Olympics was held.

The RCAP Beijing Masters 2025 will be hosted at National Speed Skating Oval (Ice Ribbon)
